The Place of the United Nations in Irish Foreign Policy

The Place of the United Nations in Irish Foreign Policy: An assessment of Ireland's Role on the UN Security Council 2001-2002. The role of the United Nations in Irish foreign policy has long been a central feature of debate in Irish political life. There is a strong popular connection with the UN system in Ireland, in addition to the normal role.

Documents on Irish Foreign Policy vol. VI: 1939-1941 on JSTOR

The sixth volume of Documents on Irish Foreign Policy delivers a fascinating account of neutral Ireland during the war years. Volume VI demonstrates in gripping detail how Irish diplomats maintained neutrality despite Prime Minister Winston Churchill’s attempt to lure Ireland to join the war in winter 1939.

Irish Foreign Policy by Ben Tonra :: SSRN

Irish Foreign Policy by Ben Tonra. The Irish state is no longer exclusively defined through its position (mental and geographic) as an “island behind an island.” While a shared and complex history may always make relationships with Ireland's nearest neighbour problematic, the pursuit of, or flight from, British norms is a decreasing feature of debates in public policy.

About the new policy - Department of Foreign Affairs

About our Policy. A Better World, Ireland’s policy for international development, was formally launched by Taoiseach Leo Varadkar and Tánaiste Simon Coveney. A Better World is a whole of government policy. It provides the framework for Ireland’s expanding development cooperation programme, in line with the Government’s commitment to reaching the UN target of allocating 0.7% of our GNI.

Foreign relations of Ireland - Wikipedia

The foreign relations of Ireland are substantially influenced by its membership of the European Union, although bilateral relations with the United States and United Kingdom are also important to the state. It is one of the group of smaller nations in the EU, and has traditionally followed a non-aligned foreign policy. Ireland has historically tended towards independence in foreign military.

First of the Small Nations: The Beginnings of Irish

This book traces the ideas and aspirations of the revolutionary generation in Ireland, from the 1890s to 1918, who dreamt of an independent Irish state and imagined how an Irish foreign policy might look. It follows attempts to put these ideas into practice during the campaign for Irish independence led by Sinn Féin, 1919–21, and examines how they evolved into the first Irish foreign policy.
