Systematically analyzes the impact of Freire in teachers training, higher education, and lifelong learning. "The Wiley Handbook of Paulo Freire: An all new book on the critical pedagogy of reform and international and comparative education, pedagogy policy, international development, and Latin American studies."
Pedagogy and the Politics of the Body—Sherry Shapiro 2005-07-05

Working within the relatively new perspective on the body as a zone of critical praxis, Shapiro lays the foundation for the theory and practice of a somatically oriented critical pedagogy.

Boletín Internacional de Bibliografía sobre Educación - 1997

The Politics of Education—Paulo Freire 1985

"Contributes to a radical formulation of pedagogy through its revitalization of language, utopianism, and revolutionary message. . . . The book renews our vision with each reading, until the meanings entwined are ours." Harvard Educational Review

"Contributes the voice of a great teacher who has managed to replace the melancholic and despairing discourse of the post-modern Left with possibility and human compassion." Educational Theory

"Involvement of Freire’s pedagogically critical approach to popular education and its capacity for securing transformative change." Contemporary Sociology

Toward a Pedagogy of Facilitation—Phillip Wagner 2006
