Father Brown completes his look at the great seasons of the liturgical year, making the rich insights of modern biblical exegesis conveniently available to all, with this volume for the season from Easter to Pentecost. During this season the Church reads consecutively from the Acts of the Apostles, recounting the external life of the Church after Pentecost. The accompanying readings from the Gospel according to John portray the internal life of Christian disciples and promise a coming Paraclete to be sent by the Father. Father Brown's title A Once-and-Coming Spirit signifies these two great biblical sources that he reflects on. He shows how these readings speak to our time as we live out the external history of a visible Church while internally drawing life from Jesus as branches on the vine. His comments offer an opportunity to appreciate the intent of the season after Easter and to prepare ourselves for the intensified gift of the spirit at Pentecost. Homilists, liturgists, and those who draw inspiration for their prayer from the lectionary texts will appreciate this concise set of reflections on the liturgical readings from Easter to Pentecost. The Bible Today/Studded with insights that are spring-boards to reflection or discussion? The Pecos Benedictine?... an excellent book for spiritual reading during this season and, given the thrust of the book, it could also prove useful for a college level course or a serious adult education group focusing on the church. ? Pentecost - Today?-Iain H. Murray 1998

Pentecost to Present Trilogy Set-Jeff Oliver 2017-12 Complete set of Pentecost to the Present. The author has carefully researched what evidence and reports there were in the early Church, and found that far from dying out, the Pentecostal sparks continued to spread through the known world. These three volumes give detailed historic evidence of signs, wonders and miracles, leading to a massive expansion of the Church to the present day. Book One: Prophetic and Spiritual Gifts Movements covers the period from the early Church through the Middle Ages when much of northern Europe was converted through miracle-working missionary monks. Book Two: Reformations and Awakenings covers the period from the Middle Ages to the early 20th century, including the Renaissance, the Enlightenment and how that affected Christianity both in Europe and the new world. Book Three: Worldwide Revivals and Renewal brings us up to the present day, sparked by the Welsh Revival of 1904-5 and Azusa Street in 1906 followed by the charismatic renewal and the global rise of Pentecostalism.

Analytical Templates of the Yerushalmi—Jacob Neusner 2009 “In Analytical Templates of the Yerushalmi, Jacob Neusner systematically defines and classifies the four analytical initiatives of the Bavli in its encounter with the Mishnah. Neusner questions whether the Yerushalmi yields a comparable repertoire of fixed patterns of analysis. In covering four tractates, Neusner first presents a tractate of the Yerushalmi and inductively defines its program for analysis of the law seen in context. For each of the three additional tractates, Neusner creates a log of the forms and types of the exegetical templates brought to the Mishnah. Here the tractates are outlines, showing at a glance the program of each in the Yerushalmi. Each of the four divisions of the Mishnah covered by the Yerushalmi is represented by tractate. By compiling the data in this manner, Neusner makes possible an inductive account of the whole and concludes with remarks of the two Talmuds’ analytical templates.”--BOOK JACKET.

Expositor and Current Anecdotes - 1906

Experiencing the Spirit: Henry Blackaby 2009-02-17 The first Christians “turned the world upside down” (Acts 17:6) shaking the gates of hell even in the face of severe persecution. The result: People all around “were filled with wonder and amazement” (Acts 3:10). What can give Christians today the same impact? God’s Holy Spirit is ready to answer that for us in an awesome way, as Henry Blackaby and his son Mel Blackaby make clear in Experiencing the Spirit. You’ll see how the proof of the Spirit’s presence is our awareness of God’s personal assignments for us, plus our supernatural enablement to carry out those assignments. You’ll find essential clarification on the difference between natural talents and spiritual gifts. You’ll explore the dynamics of being filled with the Spirit through intimate relationship with Him, committed obedience, and radical departure from sin. Instead of considering what you can do for God with your abilities and talents, you’ll be encouraged here to seek what God wants to do through you supernaturally by His Spirit, empowering you beyond your personal competence and capacities. Release the Holy Spirit’s work at the very core of your experience of the Christian life – as He releases you to serve God as never before.
